(Hed)P.E.

Time to pay
Time to pay
Time to pay
Time to payTime to pay, let them burn
Punish and erase me
It's high time I suffer
Count all my addictions
That surprise erection
Dirty obsessionYour blood is on my hands
Our blood is on your hands
So turn away from me, turn away
Take everything away from me
You can still hear me laughing at youYeah, well, here I am
This soul cannot be chained
Can I get a witness?
Here I am
This soul cannot be chained
Can I get a witness?
Here I amSo what? Here I stand
I'm gonna see you when I get there
Rock hard dick in my hand
No, I don't expect you to understand shit, shit
In the garden of heathens
Oh man, fuck confessionNow let the motherfucker fall
I watch him fall hard, yeah
Don't turn away from me, turn away
Cut me in half and play with me
Now, both of me are laughing at youHere I am
This soul cannot be chained
Can I get a witness?
Here I am
This soul cannot be chained
Can I get a witness?
Here I amThis soul cannot be chained
Can I get a witness?
Here I am
This soul cannot be chained
Can I get a witness?
Here I amHere I am

Here I am

Here I am
