# Don't You Worry 'Bout Me

## Lukas Graham

Hey my friend, how you've been?
What are you going through?
What is this trouble, that's troubling you?

He tried to turn the thing around
And asked me how I've been
I said, I really don't know where to begin

I saw my life come crashing down
I crawled, I walked, I'm flying now
I found my strength on my knees

Don't you worry 'bout me
Don't you worry 'bout me
Don't you worry 'bout me
Don't you worry 'bout me

A lot of people told me
When daddy passed away
Go take some time off
But I've got no time to waste

Don't you have a dream too
Some goals you've got to make
You may feel small sometimes
It don't mean you can't be great

I saw my life come crashing down
I crawled, I walked, I'm flying now
I found my strength on my knees

So, don't you worry 'bout me
Don't you worry 'bout me
Don't you worry, worry, worry
Don't you worry 'bout me
Don't you worry 'bout me

Sometimes your life can bring you down
Sometimes you run for miles and miles

Sometimes you scream without hope

Now once you feel you hit the ground
Then victory comes back around
And you'll be proud to let them know

Don't worry 'bout me
Don't you worry 'bout me
Don't you worry 'bout me
Don't you worry 'bout me
Don't you worry 'bout me
Oh please
Don't you worry, worry, worry, worry
No, don't you, don't you, worry 'bout me
Don't you worry 'bout me
Don't you worry 'bout me
