

Credit in the Straight World

Hole

And I will awake
Your highness, I'm so high I cannot walk
And I will awake
You cripple, you take away my time, my peace, my empathy
No babies sleep on atrophy
Your unborn love and fetal dress
My bitter candy legless caress
Go for credit in the straight world
Look a dealer in the eye
Go for credit in the real world, won't you try?
I got some credit in the straight world
I lost a leg, I lost an eye
Go for credit in the real world, you will die, yeah
It's the credit in the straight world
Leave your money when you die
Lots of credit in the real world, gets you high, yeah
I got some credit in the straight world
I lost a leg, I lost an eye
Go for credit in the real world, you will die, yeah, yeah, yeah, yeah, yeah
