

# Never Too Late

## Secondhand Serenade

Writing here  
Cause there's nothing left here  
For me to do  
But please know that  
I'm trying to make up for my mistakes  
And you're moving on  
With guilty memories  
But I was wrong  
To ever test us  
This broken road is more than I can take  
So this is the way that I'll tell you  
That I'll leave you alone if you want me to  
But I've had enough of this life alone  
I'll give it up this time I know  
I don't deserve to tell you that I love you  
There's nothing in this world I'd take above you  
I'm dead inside  
Bring me back to life  
I'll leave this note for you to read  
So you won't forget that all I need is you  
Is you!!  
And the world is not so clear anymore  
Since the day that you walked right out that door  
I knew all I need is you  
This is the way that I'll tell you  
That I'll leave you alone if you want me to  
But I've had enough of this life alone  
I'll give it up this time I know  
I don't deserve to tell you that I love you  
There's nothing in this world I'd take above you  
I'm dead inside  
Bring me back to life  
It's never too late to show you who I am  
I know you want to love me  
I know you understand that I could be your missing page  
Bring me back to life  
Bring me back to life  
Bring me back to life  
This is the way that I'll tell you  
That I'll leave you alone if you want me to  
But I've had enough of this life alone  
I'll give it up this time I know  
I don't deserve to tell you that I love you  
There's nothing in this world I'd take above you

I'm dead inside  
Bring me back to life
