What'cha Gonna Do About It

Small Faces

I want you to know that I love you, baby
Want you to know that I careI'm so happy when you're round me but I'm
Sad when you're not there
Sing the song now(Whatcha gonna do about it?) oh yeah
(Whatcha gonna do about it?) tell the truth
(Whatcha gonna do about it?) she's so nice
(Whatcha gonna do about it?)I want you to give your sweet, sweet kisses
Want you to hold me tightI want you to come whenever I call you
And let me walk you home at night(Whatcha gonna do about it?) eh, yeah
(Whatcha gonna do about it?) please answer my question, baby
(Whatcha gonna do about it?) she's so nice
(Whatcha gonna do about it?)I want you to know that I love you, baby
I said this before but that I careI'm so happy when you're round me but I'm
Sad when you're not there
Baby, there it comes again(Whatcha gonna do about it?) oh yeah
(Whatcha gonna do about it?) 'cause I'm so crazy
(Whatcha gonna do about it?) you're too
(Whatcha gonna do about it?)
(Whatcha gonna do about it?)
