

# Coming for you

## Dynamoe

For you I had a change of heart  
But don't know where to start  
What I'm about to say may surprise you But now I see it clear  
Life ain't always fair  
What can you do? When you don't wanna hurt him  
'Cause you don't deserve him  
And there's no other way I'm breakin' down  
I just can't take it anymore, oh, no  
I won't let you go  
You know I'm coming for you No matter what it's gonna take  
I gotta make this move  
You're the one that I chose  
You know I'm coming for you And I just can't go another day  
Without you next to me Don't know what to say  
Guess I'll take the blame  
Eventually it was bound to happen I know you played your part  
I ain't tryin' to make it hard  
But it's the right thing to do When you don't wanna hurt him  
'Cause you don't deserve him  
And there's no other way I'm breakin' down  
I just can't take it anymore, oh, no  
I won't let you go  
You know I'm coming for you No matter what it's gonna take  
I gotta make this move  
You're the one that I chose  
You know I'm coming for you And I just can't go another day  
Without you next to me Now that you know the truth  
Just wanna be with you  
Can't hold back, this is real 'Cause what we share, it's undeniable  
Don't wanna hide no more  
Here I am and I'm coming for you I'm breakin' down  
I just can't take it anymore, oh, no  
I won't let you go  
You know I'm coming for you No matter what it's gonna take  
I gotta make this move  
You're the one that I chose  
You know I'm coming for you And I just can't go another day  
Without you next to me I'm breakin' down  
I just can't take it anymore, oh, no

I won't let you go  
You know I'm coming for you
