Coldest Winter

Pentatonix

On lonely nights I start to fade
Her love's a thousand miles away
Memories made in the coldest winter
Goodbye my friend, will I ever love again
Memories made in the coldest winterIt's 4am and I can't sleep
Her love is all that I can see
Memories made in the coldest winter
Goodbye my friend, will I ever love again
Memories made in the coldest winter
Winter, oh, oh, oh.Goodbye my friend will I ever love againIf spring can take the snow away
(If spring can take the snow away)
Can it melt away all our mistakes
(Can it melt away all our mistakes)
Memories made in the coldest winter
Goodbye my friend, will I ever love again
Memories made in the coldest winter
