

# Chartreuse

## ZZ-top

Chartreuse  
You got the color that turns me loose  
Chartreuse  
That color just turns me loose  
Better than Magenta  
Better than Fuchia  
You got a shade that gets rid of the blues.Chocolate mousse  
Don't you know I like big Caboose  
Chocolate mousse  
You know I like that big Caboose  
Its sure sweet,  
Lights my fuse  
Its sure sweet,  
Lights my fuseChartreuse  
That color just turns me loose  
Chartreuse  
You got the color that turns me looseChartreuseYou got the blues baby  
I got the juice  
You got the blues baby  
Remember, I got the juiceChartreuse
