

Marcus

Jealous of the Birds

I am walking home from school
Summer dress breeze so cool
And I'll grown
I'll grow

Marcus pushed me to the dirt
Marcus hit me made me hurt
I won't cry
I won't cry

I punch Marcus in the nose
Now there's blood over his clothes
Cherry red
Cherry red

Marcus runs across the lawn
Off to go and tell his mom
Got no spine
Got no spine

Marcus
I love you
Marcus
I love you
