

# I Got a Gun

## Brides of Destruction

You father  
You ever wonder  
Found out what you are  
Wishing on a star  
Or if my dealt card  
Has numbed the pain you've laid I got a gun  
And nothing to say  
I'm on the run  
And now it's time to pay You father  
You ever dare  
Question words of blame  
Hen of guilt and shame  
Or this world I've drained  
Flushing hopes of today I got a gun  
And nothing to say  
I'm on the run  
Blow yourselves away I gotta gun  
And nothing to say  
I'm on the run  
And nothing to say I got a gun  
And nothing to say  
I'm on the run  
Blow yourselves away I got a gun  
And nothing to say
