Brother Stranger

Daniel Levi Goans

Which of us is not always a stranger
Who has found the lost-lane into heaven

Which of us has known his lonely brother
Who has seen into his fatherâ€™s heart

O lost

Who knows where to go to find the kingdom
Will our mouths keep searching endlessly

Which of us will not be broken by desire
With a heart too big and heaven pumping through the veins

O lost

Without words our lips move noiselessly
For the lost language we search endlessly

Who has seen April be the lion
I still see the rains come down in May
