

# Double Dare

## Hoyt Axton

I dare you, to be real  
To touch a flickering flame  
The pangs of dark delight  
Don't cower in night fright

Don't back away just yet  
From destinations set  
I dare you to be proud  
To dare to shout aloud  
For convictions that you feel  
Like sound from bells to peal  
I dare you to speak of your despise  
For bureaucracy, hypocrisy- all liars

I dare  
I dare  
I dare, you, you
