

IN LOVE

BOBBY

U never knew how I feel baby
When u kissed me u driving me crazy
Oh u made my life complete

Oh yes u do

Oh yes u do my baby girl my baby
I'm in love with u
I'm in love with u
I'm in love with u
I'm in love with u

Just let her keep on realize datDat ur in love dat ur in love

Dat ur in love dat ur in love

Baby I'm in love

I'm in love with u
I'm in love with u
I'm in love with u
I'm in love with u

I'm in love with u

I'm in love with u

But I'm in love with u

My baby

I'm in love with u

So come and take my hand

I'm in love with u

I'm in love with u

I'm in love with u

I'm in love with u

I'm in love with u

I'm in love with u

Baby I'm in love with u

Dat I'm in love dat I'm in love

Dat I'm in love dat I'm in love

Baby I'm in love

(For real)

I'm in love with u
I'm in love with u
I'm in love with u
I'm in love with u

I'm in love with u

But I just wanna let u know

Dat I am just young and Imma fool

I'm in love with u

Little baby

But take a little time for u only one

I'm in love with u I'm in love

I'm in love
Girl I'm in love

I'm in love

Just come on and share ur love
