Ba Ba Ba

Ivy

Ba ba ba ba
Ba ba ba ba
Ba ba ba ba
Ba ba ba baYou can talk all night
Why not let it die?
You want to be right
I don't want to fightPlease just let me sleep, I'm very tired
And we can talk about it when I'm feeling more aliveBa ba ba ba
Ba ba ba ba
Ba ba ba ba
Ba ba ba baI dream you are blind
I stare into your eyes
You see only white
Or is it black? I can't decideYou say, "Are you there?" and I just smile
I just sit in silence, let you wonder for a whileBa ba ba ba
Ba ba ba ba
Ba ba ba ba
Ba ba ba baBa ba ba ba
Ba ba ba ba
Ba ba ba ba
Ba ba ba ba
