

Misfit

Marc Bolan

Surplus store misfit
I don't wanna quit
too many times I chickened
and just split. Bill the little misfit
I don't wanna see
pop out pictures
of you and maybe me. Baby why don't you
scream and split
I can't break away
I just seen the light. Wimpy bar misfit
I don't wanna be
like Billy the kid
left hangin' from no tree. Strung along misfit
I don't wanna see
people put you down
and all I wanna be is free. Water bed misfit
I don't wanna be
used and ridden and hidden
most mysteriously. Scary little misfit
I don't wanna see
every scene that's been
and every scene that's liable to be. Why don't you
just scream and split
cos I can't break away
I just seen the light.
