

# Cut It Down

## Skullcrack

Just the same old rhetoric  
Culture of fear, a cheap gimmick  
Hatred becomes justified  
With the boundary lines you hide behind  
Panic instilled, dread widespread  
I won't rest until those views are dead  
They divide us, because they despise us  
We can cut it down  
They deny us, just despite us  
We can cut it down  
You ain't a realist, you're just misled  
Won't rest until those views are dead
