

Changes

Taddy Porter

Gonna be some changes
Made around here
There?s gonna be some changes
Made around here

There?s gonna be some changes
There?s gonna be some changes
Made around here
That?s clear

I?m comin? from a hard life
Lookin? for the spotlight
Make you feel alright
You know it?s that baby

There?s gonna be some changes
There?s gonna be some changes
Made around here

Comin? at you like a freight train
And I?m on you like a hurricane
That?s why I do what I do like I want you to do baby

Gonna be some changes
There?s gonna be some changes
Made around here

Gonna be some changes
Made around here
There?s gonna be some changes
Made around here

Changes, Changes made around here
