

# Old Fashioned Christmas Carol

## Eraserheads

We are the carol kings  
And we like to say hello  
We're here to sing you every  
Little christmas songs we know So get ready close or open your windows  
Take out or hide your money  
Honey we don't care  
We're here to sing the staples  
Old fashioned christmas carols  
Oh, here we go again Merry christmas everybody  
Happy new year too We'll sing of chestnuts frostin  
On a turtle doves comin to town  
We'll sing of building snowman  
And pretending he's jackson browne  
Silverbells, silverbells  
Silver all the way  
What fun it is to give love  
On a one horse christmas day  
It doesn't really matter  
The former or the latter  
Coz all we really wanna say is Merry christmas everybody  
Happy new year too Come they told me the lord has come  
Let earth in heavenly peace  
Whispering hope never smoke dope  
We'll go down in history  
History... We are the carol kings  
And we like to thank you all  
You've been so very kind  
We hope that you'll have a christmas ball  
We really have to go  
Coz there's a dozen houses mo'  
But next year we'll be knockin on your door again  
And soon we'll all be singin'  
The same song that you're hearin'  
Now people let me hear you sing
