

Cooling Water

The Williams Brothers

My soul was sinking in a world of sin
But grace and mercy it took me in
Took my feet out of the miry clay
And placed them on a rock
Oh what a relief it was
when God rescued me
He lose the chains that had me bound
and then He set me free
and it felt like Cooling water (cooling water)
Cooling Water
Felt like cooling water (cooling water from Grandma's well)

Sleepless nights and so much pain
Could see no sunshine, nothing but rain (but God said)
Weeping may endure for a night
But in the morning it will be alright
Oh what a relief it was when God rescued me
He lose the chains that had me bound and then he set me free
Felt like (cooling water)
Felt Like (cooling water)
Just like (cooling water)
Just like (cooling water)
Cooling water from Grandma's well

Felt like (cooling water)
Felt like (cooling water)

(ad Lib out)
