

Do You Like It

[Rose Moore](#)

Its an early morning hour, you wake me with a smile
Saying come here
You take me in your arms ask me tenderly
Whispering in my ear Do you like it, do you like it, do you like it yeah?
Do you like it, do you like it, do you like it yeah? Our bodies soft and warm feel good together baby
Feels so good yeah
The way you hold me gently, touch me tenderly
This is so so real
I have to ask you baby, just to know for sure
Do you feel what I feel?
I have to ask you darlin just to know for sure
Do you feel what I feel? Do you like the way I touch you
Do you like the way I hold you
Do you like the way our bodies feel?
Do you like the way I kiss you
Do you like the way I love you, love you oh so real
