

# I Will Always

## Texas

And now, it's all the same to me,  
So be whatever you want to be  
And go wherever you need to go.  
And when it all seems like a mistake,  
Take whatever you need to take  
And leave the rest for my own sake.  
I will always go beside you.  
You will always understand.  
And now, it's all the same to me,  
So be whatever you want to be  
And go wherever you need to go.  
And when there's nothing left behind,  
Taken whatever you needed to  
And leave it all into my mind.  
I will always go beside you.  
You will always understand.
