Tweet- The Hardest Thing

Dadadada yea...

Dadadada yea...

Ooooooooo.....

I'm tired of disappointments  
Wanna leave them all behind me  
Move forward without regrets  
But I didn't know how hard all of this would be  
You can't be so hard... yea  
You can't be so hard... oh  
You can't be so hard... ahhh  
What can feel like, the best for you  
In turn can be the reason you're going through  
It's the hardest thing

Ooooooo yea yea...

What can feel like, the best for you  
In turn can be the reason you're going through  
It's the hardest thing to give up  
The hardest thing to give up  
The hardest thing

At time we stay, to try again  
Unhappy with the choice in us settling  
It's the hardest thing to give up  
The hardest thing to give up  
The hardest thing  
But ya gotta let it go  
Let it go  
Let it go  
Let it go  
Let it go

Began to think you're satisfied  
But ya halfway get what you need  
I call it pacified  
It's the hardest thing to give up

The hardest thing to give up  
The hardest thing  
It may seem like... A gift  
But really you so worsened in your heart it tricked  
It's the hardest thing to give up  
The hardest thing to give up  
The hardest thing  
But ya gotta let it go  
Let it go  
Let it go  
Let it go  
Let it go  
They say its fine, okay today  
Tomorrow overwhelmed with the pain of yesterday  
It's the hardest thing to give up  
The hardest thing to give up  
The hardest thing  
You're on your feet, their the mount  
Don't take yourself back there  
You'll only allow it to be  
The hardest thing to give up  
(Only allow it to be the...)  
The hardest thing to give up  
(Only allow it to be the...)  
The hardest thing  
But ya gotta let it go  
Let it go  
Let it go  
Let it go  
Let it go  
Let it go  
Let it go  
Let it go  
Let it go  
Let it go  
Let it go  
Yea yea yea  
Whatever it is  
You oughta let it go  
Go Go Go Go
