Meet You At the Moon

Imelda May

We're lookin' at the same moon
Though we're miles apartWe're wishin' on the same star
When you're deep in my heartI don't know if you know
But when we miss each other so
Look up
I'll meet you at the moonWe're starin' at the same sky
Strangers it seems
We're sittin' on the same earth
Though there's oceans betweenI don't know if you know
But when we miss each other so
Look up
I'll meet you at the moonMm I'm part of you
And your part of me
But it's a cold old world
When your missin' somebodyWith out you
I wouldn't couldn't be
So when your heart is achin'
And it can't take much more breakingWe're lookin' at the same moon
Though we're miles apart
We're wishin' on the same start
When your deep in my heartI don't know if you know
But when we miss each other so
Look up
I'll meet you at the moon
