

# Meet You At the Moon

[Imelda May](#)

We're lookin' at the same moon  
Though we're miles apart We're wishin' on the same star  
When you're deep in my heart I don't know if you know  
But when we miss each other so  
Look up  
I'll meet you at the moon We're starin' at the same sky  
Strangers it seems  
We're sittin' on the same earth  
Though there's oceans between I don't know if you know  
But when we miss each other so  
Look up  
I'll meet you at the moon Mm I'm part of you  
And your part of me  
But it's a cold old world  
When your missin' somebody With out you  
I wouldn't couldn't be  
So when your heart is achin'  
And it can't take much more breaking We're lookin' at the same moon  
Though we're miles apart  
We're wishin' on the same start  
When your deep in my heart I don't know if you know  
But when we miss each other so  
Look up  
I'll meet you at the moon
