

(european B-side)

Five For Fighting

Finally in the meantime since you paid for my room
I thought I'd write the European B-side or two
See Mr. Merry's in the garden
Trying to tie his high top shoes
Johnny's off of daff-dill mountain
Praying for the news, yeah
And, oh, what a piece I am
And, oh, what a piece I am
If you, if you be my friend
And thanks to all that you made me replace
For all you gave to me, you left on my face, yeah
See Mr. Merry is the garden
Bella's taking ludes
Daddy's off without a pardon
But nothing left to lose, yeah
And, oh, what a piece I am
And, oh, what a piece I am
If you, if you be my friend
Be my friend
And, oh, what a piece I am
And, oh, what a piece I am
If you, if you'd
Oh, what a piece I am
Oh, what a piece I am
If you, if you be my friend
Be my friend
And, oh, what a piece I am
Oh, what a piece I am
If you, would you?
Okay
