

Your Love Is Life to Me

FFH

Your love is life to me
My truest longing my deepest need
Without it one moment I don't know where I'd be
Your love is life to me Breath for my body, light for my eyes
All that I need you daily provide
Deep in my being, more than my blood
My very existence depends on your love
Your love is life to me My truest longing my deepest need (Ya)
Without it one moment I don't know where I'd be
Your love is life to me Moment by moment I am aware
Of your tender mercy's and your constant care
My hope and my strength through all my days
I see so clearly in so many ways- 'cause Your love is life to me
My truest longing my deepest need (Ya)
Without it one moment I don't know where I'd be
Your love is life to me Your love is a river
Flowing to the sea
And the river runs forever
And it washes over me Your love is life to me
My truest longing my deepest need (Ya)
Without it one moment I don't know where I'd be
Your love is life to me Your love is life to me
My truest longing my deepest need (Ya)
Without it one moment I don't know where I'd be
Your love is life to me
