

# Wings Of Summer (Feat. Shana Halligan)

[Serj Tankian](#)

Well, I, I, want to fly, fly,  
On the wings, wings of summer,  
But you, you put your eyes,  
You put your eyes on mine. Go, perfect your fall  
And no matter what  
Smile for them all  
For today, we see never  
Tomorrow's menu reads forever I, I want to fly  
On the wings, of summer  
But you, put your eyes, on mine,  
I, I want to fly  
On the wings, of summer  
But you, put your eyes, on mine Don't confess to the crime  
Till you lavish in your concubine  
When you think you got clever  
They'll well you in and pull the lever Now I, I want to fly,  
On the wings of summer  
But you put your eyes on mine,  
Now, I, I'm going to fry,  
Cause I ran over the guy with a Hummer,  
But you, put your eyes, eyes on the divide  
Now I, I, want to fly, fly on the wings of summer  
But you, you put your eyes, you put your eyes on mine. When you think that it's all over  
They'll clip your wings and make you roll over  
Go perfect your great fall  
No matter what, smile for them all  
For today we see never  
Tomorrow's menu reads forever  
For today, we see never,  
Tomorrow's menu reads
