

# World of Pain

## Cream

Outside my window is a tree  
Outside my window is a tree  
There only for me And it stands in the gray of the city  
No time for pity for the tree or me There is a world of pain  
In the falling rain  
Around me Is there a reason for today?  
Is there a reason for today?  
Do you remember? I can hear all the cries of the city  
No time for pity for a growing tree There is a world of pain  
In the falling rain  
Around me Outside my window is a tree  
Outside my window is a tree  
There only for me And it stands in the gray of the city  
No time for pity for the tree or me There is a world of pain  
In the falling rain  
Around me
