Never been kissed, never been kissed
And no law can govern herNever been kissed, never been kissed
And no law can govern herEighteen years of handstands
Nineteen sixty eightNever been kissed, never been kissed
And no law can govern herAt twenty five past six
They finally found a use for herNever been kissed, never been kissed
And the whole crew to welcome herNever been kissed, never been kissed
And no law can govern herNever been kissed, never been kissed
Never been kissed, never been kissed
Never been kissed, never been kissed
And no law can govern her
