[mclusky](#)

Never been kissed, never been kissed  
And no law can govern herNever been kissed, never been kissed  
And no law can govern herEighteen years of handstands  
Nineteen sixty eightNever been kissed, never been kissed  
And no law can govern herAt twenty five past six  
They finally found a use for herNever been kissed, never been kissed  
And the whole crew to welcome herNever been kissed, never been kissed  
And no law can govern herNever been kissed, never been kissed  
Never been kissed, never been kissed  
Never been kissed, never been kissed  
And no law can govern her
