

# Beyond

## Daft Punk

Dream  
Beyond dreams  
Beyond life  
You will find your song  
Before sounds to be found Close your eyes and rise  
Higher still endless thrill  
To the land of love beyond love  
Come alive and you'll find forever watching you alive You are the night you are the ocean  
You are the light behind the cloud  
You are the end and the beginning A world with time is not allowed  
There's no such thing as complication  
To find a way we'll lost control  
Remember love's our only mission  
This is the journey of the soul The perfect song is framed with silence  
It speaks of places never seen  
You hold your promise long forgotten  
It is the birthplace of your dreams
