

In My Boat

Philmore

Peaceful day
Peaceful lake
Frank is drowning in my wake
Mary Jane, just hit the prop
I don't have the time to stop
Riding in my boat
Riding in my boat
Hidey Ho, Land ahoy
Almost missed that group of boys
But I ran em over,
Smashed em good
Guess I'll head to land and get some food
Riding in my boat
Riding in my boat
When I am in my boat I'm always having fun
Compared to other boats, my boat is number 1
If you are very nice and ask me with a please,
Maybe Someday you can come and boat with me
Riding in my boat
Riding in my boat.
