

# Army Of Ancients

## Dr. Dog

An army of ancients can rise from the ground  
And tear every nation apart  
And I'd still be sitting there counting my cards  
Wondering when will it stop, oh  
The oceans and forests could collide into one  
And might leave this world in a spark  
And I'd still be sitting there twiddling my thumbs  
Wondering when will it stop  
Oh, how did the fox get the raven, the crow?  
Oh, I got it, oh, yeah, oh yeah  
Why at the creek did the dog lose the bone?  
Oh, I got it, oh yeah, oh yeah  
The man can come back on his fiery thrown  
To measure the failures at heart  
And I'd still be whistling Dixie alone  
Wondering when will it stop, oh  
I don't wanna wake up, I don't wanna move  
Ask you to assume and stick to the boot, I'm sorry  
Well, I'll take what I want in the dawn's early light, oh  
How did the fox get the raven, the crow?  
Oh yeah, oh yeah, oh yeah  
Why did the hen pick grains in the snow?  
Oh yeah, oh yeah, oh yeah  
Why did the brother berries go?  
Oh yeah, oh yeah, oh yeah  
Wind took the rest but the kids came along  
Oh yeah, oh yeah, oh yeah  
Why did the mouse help the bees with the floor?  
Oh yeah, oh yeah
