Memory On The Run

Steve Holy

Girl, when you left me
It liked of drove me mad
And now when I hear your name
It doesn't hurt so bad
Now I did some grieving, yeah
I held the bottle tight
But where I was back then
Ain't where I am tonight
'Cause I cried 'til a man can't cry no more
And I think I've cried enough
My heart is back in the ring, he's the comeback king, baby
Forgetting has begun, got your memory on the run
Now I'm celebrating
Think I'll buy the house around
It's been a long time since I felt like
Painting up the town
Now there's a sweet little Georgia girl

Sitting on my right
She's wanting me to take her home and
I'm thinking I just might
'Cause I cried 'til a man can't cry no more
And I think I've cried enough
My heart is back in the ring, he's the comeback king, baby
Forgetting has begun, got your memory on the run
'Cause I cried 'til a man can't cry no more
And I think I've cried enough
My heart is back in the ring, he's the comeback king, baby
Forgetting has begun, got your memory on the run
'Cause I cried 'til a man can't cry no more
And I think I've cried enough
My heart is back in the ring, he's the comeback king, baby
Forgetting has begun, got your memory on the run
Forgetting has begun, got your memory on the run
