

Nothing That I Didn't Know

Procol Harum

Did you hear what happened to Jenny Droe?
 Couldn't believe it but it's true
 Twenty-six and now she's dead
 I wish that I could've died instead
Did you hear what happened to Jenny Droe?
 Did you see how thin and pale she grew?
 So much suffering, could not hide
 Endless heartache until she died
Did you hear what happened to Jenny Droe?
 Strike me dead, make it a truce
 Strike me dead, let me go
 Nothing that I didn't know
Did you hear what happened to Jenny Droe?
 I couldn't believe it but it's true
 Twenty-six and now she's dead
 I wish that I could've died instead
