

# One Out of Ten

## Sister Sin

Wanna say hello to my little friend?  
We're back in business until the end  
You oughta know I want you  
Let me take you out and there's a place I know  
Have a couple of drinks and when we're ready, we'll go  
Back to my place, I will show you  
We're everlasting you and I  
Even if it was only for a night  
I leave you with this  
What I'm sorry to say is  
Out of my way  
I never wanna see you again  
Out of my way  
The price you pay for being one out of ten  
Out of my way  
I never wanna see you again  
Out of my way  
The price you pay for being one out of ten  
I love you still as a friend to begin with  
Don't sit and wait there by the phone  
'Cause you will find yourself so alone  
Out of hope and without reason  
We never stood the test of time  
And I guess I never even really tried  
It's what it is, I'm not sorry to say this  
Out of my way  
I never wanna see you again  
Out of my way  
The price you pay for being one out of ten  
Out of my way  
I never wanna see you again  
Out of my way  
The price you pay for being one out of ten  
All I have to say is  
I'll never be the one committed to you  
Out of my way  
Out of my way  
I never want to see you again  
Out of my way

Out of my way  
The price you pay for being one out of ten  
Out of my way  
I never wanna see you again  
Out of my way  
The price you pay for being one out of ten  
Out of my way  
Out of my way  
Out of my way  
The price you pay for being one out of ten
