Congres Alley

Congress Alley

Hey the sun is shining
Look, the sun is shining
Knows how to shine out on congress alley
What a fine day for the sun to be shining on congress alley
Hey what a trippy day
What do you say we try to get away to Congress alley
Hey the kids are playing
Look, the kids are playing
Know how to play out on congress alley
what a fine day for the kids to be playing on Congress alley
Hey what a groovy day
What do you say we go out and play on congress alley
And we really think itâ€™ll be alright
To go outside where the sun is bright
To do our thing and dance and sing
Without the neighbors getting too uptight
Hey the sun is falling
Look, The sun is falling
Knows how to fall out on congress alley
What a fine day for the sun to be falling on Congress alley
Hey, what a happy day
No matter what you say
Iâ€™m gonna stay on Congress alley
â€¦.Be alrightâ€¦.
â€¦.And dance and sing without the neighbors getting too uptight.
Hey the snow is falling
Look, the snow is falling
Knows how to fall out on Congress Alley
What a fine day for the snow to be falling on Congress Alley
Hey what a happy day
No matter what you say
Iâ€™m gonna stay on Congress Alley
Whoa whoa hey, what a groovy day
What you say we go out and play on Congress alley
Whoa whoa whoa oooâ€¦oooo.
Know matter what you say
Iâ€™m gonna stay on Congress alley
â€¦.
What do you say we go out and play out on congress alley

Know matter what you say
Iâ€™m gonna stay on congress alley
