

Underdog

Jonas Brothers

Shes an underdog, lives next door to me
Shes always heard, you wont amount to anything
And it kills me to watch the agony beyond her eyes
Tragic the way people pass her by but now I realize That everyone sees her but nobody knows her
She screams in her pillow for a better tomorrow
She hates it but she takes it, watch out for that girl
One day she may change the world Shes original, never trying to fit in
Shes got a way to always go against the grain
Oh yeah, someday theyll see how beautiful she really is
I know the last will be the first, the tables gonna turn 'Cause everyone sees her but nobody knows her
She screams in her pillow for a better tomorrow
She hates it but she fakes it, watch out for that girl
One day she may change the world Maybe shell be in a movie
Maybe shell be in a song, yeah
Better pay her some attention
Before shes gone Shes an underdog, yeah
She means the world to me, yeah Everyone sees her but nobody knows her
She screams in her pillow for a better tomorrow
She hates it but she makes it, watch out for that girl
One day she may change the world And everyone sees her but nobody knows her
She screams in her pillow for a better tomorrow
She hates it but she makes it, watch out for that girl
One day she may change the world
