Baby Knows

Prince

Baby knows
Baby knows
Baby knows, huh
Baby knows(Baby knows)
This funky joint in the city
(Baby knows)
Where the freaks come out to play(Baby knows)
Venezuelan, black and pretty
(Baby knows)
The kind that make you wanna pay, yeah(Baby knows)
She got the long dark legs
(Baby knows)
She got the butt that go round(Baby knows)
This kind of poochie make you beg
(Baby knows)
Turn a dog into a hound(Baby knows)
She tell me what I wanna hear
(Baby knows)
She stroke me up and never down(Baby knows)
Whispering sexiness in my ear
(Baby knows)
I'm just a junkie for the sound(Baby knows)
She make you call your boys
(Baby knows)
In a pow-wow to scope a plan
(Baby knows)
How to ditch her man in a trunk of a Lexus
A perplexing hex this witch has flexed(Baby knows)
She got the long dark legs
(Baby knows)
She got the butt that go round(Baby knows)
This kind of poochie make you beg
(Baby knows)
Turn a dog into a houndOh, baby
Oh, baby
Baby, baby(Baby knows)
She knows how to make you feel
(Baby knows)
Like your stuff ain't brown tonite

(Baby knows)
And her perfume it smells like the weekend(Baby knows)
This funky joint way down in the city
(Baby knows)
Where the girls sing along to the hip-hop all nite long(Baby knows)
White girls, black girls, Latina's, oh, so pretty
(Baby knows)
Don't make me give you this ring, baby, oh, oh, oh(Baby knows)
She got the long dark legs
(Baby knows)
She got the butt that go round(Baby knows)
This kind of poochie make you beg
(Baby knows)
Turn a dog into a houndOugh, ough, ough, yeah
(Baby, baby)
Baby knows
Yeah-yeah
(Baby, baby)
Baby knowsShe got the long dark legs
(Baby knows)
She got the butt that go round
(Round and round)This kind of poochie make you beg
(Baby knows)
Give me your number and I call you
No, you done just turn me down
