

Soulmate

Natasha Bedingfield

Incompatible, it don't matter though
'Cause someone's bound to hear my cry
Speak out if you do, you're not easy to find
Is it possible Mr. Lovable is already in my life?
Right in front of me or maybe you're in disguise
Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone
Here we are again, circles never end
How do I find the perfect fit?
There's enough for everyone
But I'm still waiting in line
Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone
Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone
Most relationships seem so transitory
They're all good but not the permanent one
Who doesn't long for someone to hold
Who knows how to love you without being told
Oh, somebody tell me why I'm on my own
If there's a soulmate for everyone
Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone
If there's a soulmate for everyone
