## I Made It Through the Rain

## **Barry Manilow**

We dreamers have our ways

Of facin' rainy days

And somehow we surviveWe keep the feelings warm

Protect them from the storm

Until our time arrivesThen one day the sun appears

And we come shinin' through those lonely years I made it through the rain

I kept my world protected

I made it through the rain

I kept my point of view

I made it through the rain

And found myself respected

By the others who

Got rained on too

And made it throughWhen friends are hard to find

And life seems so unkind

Sometimes you feel afraidJust aim beyond the clouds

And rise above the crowds

And start your own parade'Cause when I chased my fears away

That's when I knew that I could finally sayI made it through the rain

I kept my world protected

I made it through the rain

I kept my point of view

I made it through the rain

And found myself respected

By the others who

Got rained on too

And made it through I made it through the rain

I kept my world protected

I made it through the rain

I kept my point of view

I made it through the rain

And found myself respected

By the others who

Got rained on too

And made it through

And made it through

And made it through
