

Running with the Wolves

Aurora

Go 'round the boat to safer grounds
But don't you know we're stronger now
My heart still beats and my skin still feels
My lungs still breathe, my mind still fears
But we're running out of time, time
For the echo's in my mind, cry There's blood on your lies
Disguised up and wide
There is nowhere for you to hide
The haunting moon is shining I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves
I'm running with the (wolves) Trick or treat, what would it be?
I walk alone, I'm everything
My ears can hear and my mouth can speak
My spirit talks, I know my soul believes But we're running out of time, time
For the echo's in my mind, cry There's blood on your lies
Disguised up and wide
There is nowhere for you to hide
The haunting moon is shining I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves A gift and curse
they're trapped and hurt
say can you dream
a night that seems
a million voices
silent dreams where hope is left so incomplete I'm running with the
I'm running with the wolves
I'm running with the
I'm running with the
I'm running with the
I'm running with the wolves! I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the
