Kiss the Train

Bride

You always told me, you can be beat
Thought you had me bound hand and feet
I can see your lies, pain and ecstasy
It's time I take control, love comes quicklyLay your cards down, you ain't so tough
Is that all you got, I will call your bluffKiss the train, I won't do it
Kiss the train, I'd be a fool
Kiss the train, I won't do it
Kiss the train, love will take me throughIn my sleep, I could feel the snake
Burning body until it ached
Signed my name in blood, dream of salvation
The morning will come, my love without reservation
