Automatic

ZHU & AlunaGeorge

Oh, some people take it far
You need friction, but they try too hard and
Oh, they just don't understand
Too much pressure, it's supply demandI don't think you know
You open up my eyes, I'm alive
I'm moving to your rhythm and your vibe
I love it when the night, is startedOh darling you are the only one, it's automatic
No one can love the way you do, it's automatic
When you walk in the room you change my mood, it's automatic
It's automatic, it's automaticOh darling you are the only one, it's automatic
No one can love the way you do, it's automatic
When you walk in the room you change my mood, it's automatic
It's automatic, it's automatic
Oh, the place that needs my touch
I know you want it, but I can give too much
So, intoxicated baby
You're in trouble, but you don't need no safeI don't think you know
You open up my eyes, I'm alive
I'm moving to your rhythm and your vibe
I love it when the night, is startedOh darling you a're the only one, it's automatic
No one can love the way you do, it's automatic
When you walk in the room you change my mood, it's automatic
It's automatic, it's automaticOh darling you are the only one, it's automatic
No one can love the way you do, it's automatic
When you walk in the room you change my mood, it's automatic
It's automatic, it's automatic
Ha-ha-ya, ha-ha-ya
Ha-ha-ya, ha-ha-ya
Ha-ha-ya, ha-ha-ya
Ha-ha-ya, ha-ha-ya
Baby boy, won't you come closer?
Baby boy, won't you get closer, to me?It's automatic, it's automatic
It's automatic, it's automatic
It's automatic, it's automatic
It's automatic, it's automatic
