Sukiyaki

4 P.M.

It's all because of you, I'm feeling sad and blue
You went away, now my life is just a rainy day
And I love you so, how much you'll never know
You've gone away and left me lonelyUntouchable memories, seem to keep haunting me
Another love so true
That once turned all my gray skies blue
But you disappeared
Now my eyes are filled with tears
And I'm wishing you were here with meSoft with love are my thoughts of you
Now that you're gone
I just don't know what to doIf only you were here
You'd wash away my tears
The sun would shine once again
You'd be mine all mine
But in reality, you and I will never be
Cause you took your love away from meGirl, I don't know what I did
To make you leave me
But what I do know
Is that since you've been gone
There's such an emptiness inside
I'm wishing you'd come back to meIf only you were here
You'd wash away my tears
The sun would shine once again
You'd be mine all mine
But in reality, you and I will never be
Cause you took your love away from meOh, baby, you took your love away from me.
