

Sunken Eyes

Sunk Loto

They watch the sky with paper eyes
Where animals are thin
I feel empty with your tragedy
So fill me up till I'm deadSunken eyes
And its all inside your head
Hours go by
Will we stay to see the endI'm feeling sick, so comfort me
I'm running out of breath
Well, I'll say nothing, saw everything
Feels like im in spaceNow my heart is sinking low
Could you imagine what it would be like to be blind
Pre-conception of a different world in mind
Do we want to our world to be one of a kind
Fuck conformity and free your state of mind
