

# Cage

## NRA

I did a really stupid thing  
I really messed up big time  
Please forgive me  
I crash and burn and bleed  
And now I am dead  
Okay not really  
I know you wanna drag me  
To the ground  
And tell me how I messed up  
And to sit down  
And that's not me  
But its just my fault

Don't try to cage me  
Or save me  
I am a wild thing  
I am a creature  
And I need your  
Love for a wild thing  
I've got issues  
That's for sure  
But its why you kinda like me  
I know it boy  
You can't put me in a cage  
You can't put me in a cage

I am fearless when I see you  
I am crazy happy lucky  
If you're close by  
A basketful of sunshine  
Til' I'm uninspired  
And then I die  
Oh why you wanna pretend  
That I'm fine  
That everything's okay  
One day I'll get it right  
Well that's not me  
And that's all your fault

Don't try to cage me  
Or save me  
I am a wild thing  
I am a creature  
And I need your  
Love for a wild thing  
I've got issues  
That's for sure  
But its why you kinda like me  
I know it boy  
You can't put me in a cage  
You can't put me in a cage

Oh  
Let me out, let me out

Don't try to cage me  
Or save me  
I am a wild thing  
I am a creature  
And I need your  
Love for a wild thing  
I've got issues  
That's for sure  
But its why you kinda like me  
I know it boy  
You can't put me in a cage  
You can't put me in a cage
