Always 2 Always

Anthea

Always
Always
Always
Always

Always 2 Always

I know
I've seen it all
I know the way through
I know
If you ever disbelieve
You better think of me
If you ever disbelieve
You better think of me

Always 2 Always
Always 2 Always
Always 2 Always
Always 2 Always

Always
Always

Always 2
Always 2
Always 2
Always 2

I know
I lead the way
I know the feeling
I know
If you get a chance to dream
You better think of me
If you get a chance to dream
You better think of me

Always 2 Always
Always 2 Always

Always 2 Always

Always
Always

I know
I've seen it all
I know the way through
I know

Always
Always
Always

You better think of me

Always 2 Always
Always 2 Always
Always 2 Always

Always
Always

Always 2 Always
Always 2 Always
Always 2 Always

Always
