

# I Did What I Did For Maria

[Tony Christie](#)

Sun rise, this is the last day that I'll ever see  
Out in the courtyard they're ready for me  
But I go to my Lord with no fear  
'Cause I did what I did for Maria As I rode into town with the sun going down  
All the windows were barred there was no-one around  
For they knew that I'd come with my hand on my gun  
And revenge in my heart for Maria, my dearest departed Maria Take an eye for an eye and a life for a life  
And somebody must die for the death of my wife  
Yes, I did what I did for Maria  
I did what I did for Maria Laughter echoed across from the end of the street  
There was the man I was burnin' to meet  
And my mind was so calm and so clear  
As I took my revenge for Maria And he fell to the ground, raisin' dust all around  
But I knew he was dead long before he went down  
It was quick it, was clean, made it easy on him  
Which is more than he did for Maria  
When he did what he did to Maria Take an eye for an eye and a life for a life  
And somebody must die for the death of my wife  
Yes, I did what I did for Maria  
I did what I did for Maria Sun rise, this is the last day that I'll ever see  
Out in the courtyard they're ready for me  
But I go to my Lord with no fear  
'Cause I did what I did for Maria Take an eye for an eye and a life for a life  
And somebody must die for the death of my wife  
Yes, I did what I did for Maria  
I did what I did for Maria Take an eye for an eye and a life for a life  
And somebody must die for the death of my wife  
Yes, I did what I did for Maria
