

Nothing's Gonna Stop Me Now

Olivia Holt

Hey look out world, cause here I come
I'm burning brighter than the sun
You put up walls but I can break 'em break 'em
Fear is not a roadblock in my way
Don't care what the haters say
They don't scare me I'm not shaking, shaking and
If you think am gonna quit
Go and cross it off your list I just wanna scream out loud nothing gonna stop me now
I'm never coming off this cloud
So move over move over move over
You don't wanna mess with me I know who I'm meant to be
Never gonna slow me down
Nothing's gonna stop me nothing's gonna stop me now
Nothing's gonna stop me now nothing's gonna stop me now I'm moving faster than you think
You might miss me if you blink
Every day I'm getting stronger stronger
But I was born to break the rules
So that's just what I'm gonna do I just wanna scream out loud
Nothing's gonna stop me now
I'm never coming off this cloud
So move over move over move over
You don't wanna mess with me
I know who I'm meant to be
Never gonna slow me down
Nothing is gonna stop me, nothing gonna stop me now
And if you think I'm gonna quit
Just go and cross it off your list Hey look out world cause here I come
I'm burning brighter than the sun I just wanna scream out loud
Nothing's gonna stop me now
I'm never coming off this cloud
So move over move over move over
You don't wanna mess with me
I know who I meant to be
Never gonna slow me down
Nothing's is gonna stop me nothing gonna stop me now
Nothing's gonna stop me now
Nothing's gonna stop me now
Nothing's gonna stop me now

Nothing's gonna stop me now
